Sponsorship Project movie night sparks gifts

Thank you to all who joined us at St. Gregory and St. Brigid schools last week, for our Parish movie night to view "The Good Lie."

It was good for us all come together to encounter this story of the refugee — and refugee sponsor — experience. While it will still be a while before we can make specific requests for your support, it was great to receive several offers of help regarding housing and household goods in anticipation of our communities being matched with a refugee family.

Special thanks to principals Mrs. Cathy Kuntz and Mr. Gary Lankowski for helping with arrangements for us to use St. Brigid and St. Gregory schools for this event, and for their presence and support.

Ex Corde Fund grant to improve St. Gregory's entrance areas

Shortly after Easter, we received word that our application for a \$10,000 grant from the Ex Corde Foundation has been approved. The Ex Corde Foundation is an independent charity, established by Bishop Crosby to support parishes and other Catholic organizations in the Diocese. The grant was requested to fund exterior and interior signage and displays, as well as improved lighting, and new furniture to help make our front lobby and atrium (by the upstairs meeting room) more welcoming spaces for Parishioners and visitors. Many thanks to the foundation for its support to help deepen the bonds that unite our St. Gregory community.

Automatic door at St. Gregory's

For those who haven't noticed, the new automatic door opener is in place and working at our St. Gregory Street entrance. Just press the button and watch the door swing open for you to enter or exit the church. Hopefully this will be helpful for those who have been finding the entrance doors heavy and difficult to manage as they enter and exit the building.

Parish Finance Council

Along with this bulletin St. Gregory's parishioners should have received a summary financial statement for 2015. While we are still on the way to break even, the statement showed a significant improvement over 2014.

The Finance Council is an advisory body to the Pastor for the stewardship of Parish finances. The members of our St. Gregory Finance Council are **Bryan Quigley, Fred Thijssen, Charlene Lee** and **Shirley Silver**. My thanks to them all for the time, enthusiasm and good advice they have generously shared, as our parish finances, budgeting and financial statements have improved over the past couple of years.
